Girl Killed In Crash Of Dune Buggy

LOS GATOS — A 16-year-old girl was fatally injured Saturday in a dune buggy crash in the hills here.

She was Lori Herring, of 16651 Topping Way.

Hurt slightly were her companions, Rita Lynott, 15, her sister, Kevin, both of 38 Kimble Road, and a San Jose youth, 16-year-old Dennis Mello, the driver, of 598 Orvis Avenue.

California Highway Patrol said the buggy was traveling along Overlook Road near Sheldon Road when it went out of control on a hairpin turn.

The car slid 100 feet down the embankment.

Officer Dan Renner said the three survivors rode the careening buggy down the slope, but that Miss Herring apparently leaped off.

The buggy slammed into a tree, pinning Miss Herring against it. Renner said the others freed her by moving the buggy.

While the two sisters went for help, Mello attempted to give her aid by mouth-to-mouth resuscitation. The girl was pronounced dead at Community Hospital.

In a Friday night mishap, David Zamora, 14, of 1608 S. White Road, was critically hurt when the car in which he was riding smashed at high speed into a power pole at Flint and Norwood avenues.

The driver of the car, Rubin Ariaza, 17, of 3434 Mt. Prieta Dr., and another passenger, Moses Medina, 13, of 1608 S. White Road, suffered moderate injuries.

Dune Buggy Crash Victim Rites Set

LOS GATOS — Services will be tomorrow for Lori Jacquelyn Herring, 16, of 16665 Topping Way, who was fatally injured in a dune buggy crash Saturday.

Miss Herring, daughter of Mr. and Mrs. Jack M. Herring and a Los Gatos High School junior, was riding in the hills with three friends when the buggy went out of control on a hairpin turn and slide 100 feet down an embankment.

Miss Herring was pinned against a tree. She died of her injuries and the others were hurt slightly.

A native of Williams, Ariz., Miss Herring moved here with her parents from Flagstaff nine years ago. Herring works for Pacific Gas & Electric Co.

Miss Herring attended Louise Van Meter School and Raymond Fischer Junior High School before starting high school. She was a member of Holy Cross Lutheran Church and was a Sunday School teacher.

The funeral will be at 2 p.m. in Holy Cross Lutheran Church, under the direction of the Chapel of the Hills.

Survivors, besides the parents, include sisters and brothers Leon, Larry, Linda, Libbe and Lex Herring; and her grandparents, Mr. and Mrs. Earl Beck of Los Gatos.

Donner Survivor's Kin Dies

SARATOGA — Harland B. Macdonald, 87, a native Saratogan whose grandparents, Riley and Mary Moultrey, were members of the historic Donner party, died Thursday in a Los Gatos convalescent hospital of a long illness.

Macdonald resided on Big Basin Way where he worked the family orchard.

An orchardist for 40 years, he farmed for 20 years in the Imperial Valley and also spent two years mining in Alaska. While in the valley, he was for 10 years a roadmaster for the county.

He was the son of the late Hugh and Marcella (Moultrey) Macdonald, His father, a native of Ireland, was a Saratoga orchardist and worked for the San Jose Water Works for 20 years. His mother was a native here.

Macdonald's grandfather; Riley Moultrey, was among the survivors of the ill-fated Donner party, which was trapped in the Sierras the winter of 1846-47 when Sierra pass was closed by deep snow.

Surviving are a son, Loren Macdonald of Oregon; a brother, Jerome Macdonald of Saratoga, also a former employe of the San Jose Water Works.

Prkvate services have been held.

Leslie Cox Dies; Native Of Saratoga

CAMPBELL — Leslie Milon Cox, life-time resident of Santa Clara County and a member of a pioneer Saratoga family, died Thursday in a local hospital of a heart ailment.

Cox, who was 73, was a native of Saratoga. His father, the late Joseph Cox, also a native Saratogan, was an apricot and prune orchardist.

Cox Avenue was named after the family, which settled in this area in the late 1800's.

A member of the Santa Clara County Employes Association, Cox lived at 862 Robin Lane.

He retired in 1968 after having worked 45 years in various county positions from heavy equipment operator to road foreman.

Survivors include Cox' wife, Mrs. Anne V. Cox of Campbell; two daughters, Miss Virginia M. Cox and Mrs. Deanna Lee Hammond, both of San Jose; brothers Lloyd A. Cox of Fresno, Edwin E. Cox and sister Miss Ruby S. Cox, both of Saratoga.

Services will be at 1 p.m. Monday at Darling Fischer & Faber's Chapel of the Hills in Los Gatos. Burial will be in Saratoga's Madronia Cemetery.

DEFINITION OF FETAL DEATH

Fetal death is death prior to the complete expulsion or extraction from its mother of a product of conception (irrespective of the duration of pregnancy); the death is indicated by the fact that after such separation, the fetus does not breathe or show any other evidence of life such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles.

Fetal death is required to be registered if the 20th week of gestation has been reached.

A women, apparently a passenger in the second car, was gravely hurt. She was taken to San Jose Hospital where she underwent surgery for head and chest injuries. She was identified as Maria Salas of 660 Sanders Ave., San Jose.

A young San Jose woman died of head injuries last night, three hours after the car she was driving was struck by another vehicle in a west side intersection.

Gayle Nina Murray, 22, of 1475 de Tracey St. died at Valley Medical Center about 7:30 p.m.

San Jose Police said Miss Murray was driving south on Genevieve Lane when her car was hit broadside by an auto driven by Timothy G. W. Wood, 65, of 4569 Ashby Ave.

Miss Wood struck her head against the windshield and the crash impact drove her vehicle up onto the sidewalk, officers said.

Police said skid marks indicated the wheels of Wood's car locked for 24 feet prior to impact. Officers estimated his speed at about 20 miles per hour.

Wood was apparently uninjured. There were no stop lights or stop signs at the intersection. Cause of the accident is under investigation.

Funeral Held for Inventor Herman Fanger of Los Gatos

LOS GATOS — Inventor Herman Joseph Fanger, 76, was buried in Los Gatos Memorial Park Thursday following a Mass of the Resurrection held in St Mary's Church.

He died Tuesday at his home, 15891 Winchester Blvd., following a long illness.

He helped develop the underwater sounding device known as sonar, one of the first arc welders and women's hair dryers, the prototype of the first bazooka and the first workable compression firing for the Army's 155 mm howitzer, Fanger got his start in a shop set up in a cousin's garage in Oakland in 1914.

He was born in Sarnen, Switzerland, coming to Oakland 56 years ago and to Los Gatos in the mid-1940s.

His first business venture was repairing magnetos in automobiles.

Some of his inventions were in modern high fidelity stereo sound equipment, and they ranged from such things as truck weighing scales to an apparatus for making pictorial representations of radioactive emissions.

Fanger assisted Ernst Lawrence, Nobel physicist, on the building of the linear accelerator and cyclotron in Berkeley.

Another of his inventions helps to guide explorer satellites.

He was a graduate of the University of Zurich in Germany, completing an eight-year course in four years, and specializing in chemistry, mathematics and physics.

Some of his atomic research from World War II is still classified.

Fanger leaves his wife, Violet; four sons and daughters, Mrs. Jessie Leach of LaSelva Beach, Herman Fager Jr. of Las Vegas, Nev. Mrs. Babatte Burri of Lucerne, Switzerland, and John Fanger of San Jose. He also leaves 13 grandchildren.

The Chapel of the Hills was in charge of services.
